

Change to Production Hours

Please be advised that due to our preventative measures and to ensure the six foot social distancing is followed, some areas in the Production/Shipping Dept. will temporarily change shift times.

Effective Monday, March 30th, 2020:

Maroon Zone and White Zone

- 1st shift (11:30 pm – 7:30 am)
- 2nd shift (7:30 am – 3:30 pm)
- 3rd shift (3:30 pm – 11:30pm)

Copper Zone, Lineset, and Pex will remain the same.

We thank you all for your co-operation during this time.
